Dear Hon. Sandra Regina Carbone Tadeu Mudalen,

It is my great honor and pleasure to cordially invite you to visit Korea as a distinguished guest of the Korea Foundation Invitation Program from April 23 through 29, 2023.

Since its establishment in 1991, the KF has been promoting mutual understanding and friendship between the peoples of Korea and other nations through various international exchange programs. Within the scope of these programs, the KF invites prominent individuals from abroad who have distinguished themselves in various professional fields.

During your stay in Korea, you will have the opportunity to meet with your Korean counterparts, share your knowledge and expertise with other program participants, and familiarize yourself with Korean culture and society. Your itinerary will include visits to relevant organizations and individuals of Korean government and private sectors, along with tours of various industrial and cultural sites.

The KF will cover the costs of round-trip airfare, hotel accommodations, meals, and domestic transportation, as well as interpretation service for you and other delegates during your stay in Korea. For additional information, please refer to the enclosed *KF Invitation Program Guideline*.

In this connection, it would be most helpful if you could complete and return to us the enclosed *Information on Visit to Korea* at your earliest convenience. Above all, we will make every effort to ensure that your visit to Korea be comfortable and successful.

I look forward to seeing you in Seoul.

Sincerely yours,

Gheewhan Kim
President
The Korea Foundation
