Invitation - IGBCE 8th ordinary Congress

Dear Hélio,

From 19th to 24th of October IGBCE will hold its 8th ordinary Congress taking place in the city of Hannover.

The Slogan we have chosen for our congress is

“Doing the right thing! Clear. Strong. In Solidarity.”

**DAS RICHTIGE TUN!
KLAR. STARK. SOLIDARISCH.**

Because all of this is very much needed during these challenging times.

We have a strong Leadership team with our board, and I am very happy that we are running again together to take responsibility for our members and to fight against severe economic challenges both in Germany and in Europe. As President of IGBCE and IndustriAll European Trade Union I want to secure that even in times of trouble no worker is left behind.

The discussions during our congress and especially during our international program will reflect on these challenges. We will discuss the energy transition, industrial Policy, Trade Union Power and Solidarity.
