You don't often get email from csteinman@tsq.org. Learn why this is important

Hello,

I am Carlo Steinman, on Ellen's team here at the Times Square Alliance. I would be happy to meet with you and your team on Monday, September 22nd.

We look forward to hearing about São Paulo's project and sharing Times Square's experiences.

We would be happy to host the meeting at our offices at 1560 Broadway in the heart of Times Square.

Please let me know what your schedule looks like on Monday, September 22 and we can find a time that is mutually agreeable.

Best,
Carlo Steinman

Subject: Invitation to High-Level Energy Meeting in New York City – September 23, 2025

Dear Councilman Rubinho Nunes,

On behalf of **One Energy America LLC**, it is our great pleasure to extend a formal invitation for you to participate in a **high-level meeting** to be held on **September 23, 2025, at 1:00 PM (New York local time)**, at our corporate office in **One World Trade Center, New York City**.

This meeting will bring together thought leaders, policymakers, and industry experts to foster a constructive dialogue on **innovative energy solutions for metropolitan areas**, with a particular focus on:

- **Energy transition strategies** to accelerate the shift toward renewable sources.
- **Urban resilience measures** to ensure cities can withstand and adapt to climate and energy-related challenges.
- **Deployment of solar and clean energy infrastructure** tailored to the urban environment.
- **Advancement of floating solar power plants**, including the proposed **Tietê River Project** in São Paulo and similar opportunities in reservoirs and water bodies in Brazil and abroad.
- **Financing models and public-private partnerships** for large-scale sustainable projects.
- **Knowledge exchange on global best practices** in energy efficiency and carbon reduction for large cities.

One Energy America LLC is headquartered at One World Trade Center, New York, and brings **over a decade of experience** delivering photovoltaic projects and sustainable infrastructure solutions across multiple markets, with **more than 300 MWp of installed capacity worldwide**. Our mission is to empower cities to become cleaner, more efficient, and more resilient—goals that align closely with São Paulo's ambitions.

Your leadership in advancing policies for infrastructure modernization and environmental innovation positions you as a key contributor to this dialogue. We would be honored to share our expertise, present case studies—including large-scale floating solar initiatives—and explore pathways for **strategic cooperation between One Energy America and the São Paulo City Council**.

Meeting Details:

- **Date:** September 23, 2025
- **Time:** 1:00 PM (New York local time)
- **Location:** One World Trade Center, 85th Floor, Suite 85, New York, NY 10007

We sincerely hope you will be able to join us for this important exchange of ideas and opportunities. Kindly confirm your availability at your earliest convenience so that we can arrange the meeting logistics accordingly.

Warm regards,

Willian Ricardo Alves de Matos

Hon. Rubens Alberto Gatti Nunes,
Councilmember, São Paulo, Brazil

Dear Councilmember Nunes,

I write to you to formally invite you to a meeting with me in New York City during your upcoming trip in September. I believe the challenges we mutually face representing urban areas in New York City and São Paulo will provide for a very useful exchange as we address the significant tests in our respective cities.

Your current concerns with urban regulation and your city's Master Plan is a challenge we face here as well with issues like *City of Yes*, the fallout from Covid and the migrant crisis, as well as tackle crime prevention and the alarming rise in antisemitism.

Given our similar experiences in urban settings in different countries I believe this meeting will be very fruitful for us both during your time here.

Sincerely,

Hon. Inna Vernikov, Esq.
Council Member, 48th District
